

CONCERT CODE OF CONDUCT

In an attempt to present a quality performance we ask that the audience at the concert show respect for our performers by observing the following:

- Support all performing groups by arriving on time and remaining through the entire concert.
- Remain quiet and seated during the performance.
- Please do not enter or leave during a selection.
- Be respectful when using cameras and/or video cameras. Please do not block anyone's view.
- Please turn off cell phones during the concert.
- Younger children are welcome. However, parents should supervise children throughout the entire concert. Running and playing during the concert is a distraction for both the performers and the audience.
