

Subscribe to Calendar/News Alerts on WSD Website

Set up alerts to receive district and school-specific news and events posted on the website.

- Events posts, changes and reminders for the district and schools
- News updates from the district and schools

Instructions to Set Up Alerts for the Calendar and News:

- 1) Go to www.wsdweb.org
- 2) Click on About WSD > District Calendar
- 3) Click the yellow Alerts button 
- 4) Click on Register New User and complete the form (*Please remember your username and password*)
- 5) Select the calendars you would like to view and receive notifications. Notifications are received by email and/or text.
- 6) After making the selection(s), click “My Subscriptions” to make save your preferences.
- 7) Click on the settings under “News Alerts” to set preferences for news alerts, i.e. district news, school-specific, community announcements.
