Shout out to WHS Merit Scholars

Congrats to the 7 WHS National Merit Semifinalists and 12 Commended Students in the 66th annual National Merit Scholarship Program. They are among the approximately 50,000 high scorers on the PSAT/National Merit Scholarship Qualifying Test out of 1.6 million applicants! The semifinalists have the opportunity to continue in the competition for some 7,600 National Merit Scholarships worth more than $30 million.

Students in Mrs. Swanger’s class celebrated the custodians at Shady Grove on National Custodians’ Day! They surprised them with a bulletin board and created a video sharing what they thought custodians do on a daily basis and thanked them for their hardwork. They recognized them as our unsung heroes!

WMS 8th Graders Create Collaborative Coloring Book

Mr. Illuminati’s 8th graders used their artistic talent for a great cause. They each contributed a drawing for a collaborative coloring book that WissNation can download and print for coloring fun - a perfect rainy day activity!

No rulers were allowed – students had to freehand everything. The students also plan to pick one of the pages that isn’t their own and color it using a combination of coloring techniques they are learning (texture, stippling, blending, etc.).

Animal Boy or Mr. Monster for President? 
Check out this Election!

Lower Gwynedd students know how important it is to vote and they aren’t missing out on Election Day. On November 2nd, they will be casting their vote for the next President of LGE: Mr. Monster or Animal Boy! To help students who is the better candidate, Owen Klessel - puppeteer, 9th grader and former LGE student- created a Presidential Debate video moderated by Patricia (shown on the right). The video was shown in every classroom both virtual and in person.

Bravo to Owen and our LGE staff for teaching our young students (in a super fun way) how the election process works and the importance of voting.

WATCH THE LGE PRESIDENTIAL DEBATE

Sixth grade students, Emmy Schurr and Lilia Cesarone, also agreed to help LGE out with a commitment to promote the election process. They worked diligently to produce a kid friendly video which was shared in all virtual and in-person LGE classes. Way to go Emmy and Lilia!

Happy Birthday in 10 Different Ways

Mrs. Madden’s 4th graders at SGE created special birthday cards this year. Each “mystery” person designed a card for a different student. Then they sang Happy Birthday in TEN different languages! Every time the class celebrates a birthday, the mystery person is revealed as they deliver the digital card and listen to the different versions of Happy Birthday that represent the cultural heritage of their classmates.
