

SECTION: PROGRAMS

POLICY: 107

TITLE: EVALUATION

ORIGINAL: October 27, 2003

CURRENT REVISION: October 12,
2020

**LAST REVIEWED BY THE
ADMINISTRATION:**

ADMINISTRATIVE GUIDELINES

- A. Methods of evaluation should be appropriate to the grade level and to the course of study.
- B. Data from student evaluations shall be used to guide curricular program revisions.
- C. Standardized test scores and common assessment results shall be analyzed as they relate to student growth toward achieving proficiency in academic standards.
- D. Evaluations shall be uniform across the District and administered at set times during the school year.
- E. Each student and his/her parent/guardian shall be kept informed of individual evaluation outcomes.
- F. Administrators, teachers, parents/guardians, and students should be involved in the continuing review of the District's Assessment Plan
