ADMINISTRATIVE GUIDELINES

- A. Services offered by community agencies in District schools shall be coordinated by and be under the general direction of the Superintendent or designee.
- B. The following categories of services shall be provided by the District and included in the Student Services Plan:
 - a. Developmental services that address students' needs throughout their district enrollment, which include: guidance counseling, psychological services, health services, home and school visitor services, and social work services that support students in addressing academic, behavioral, health, personal and social development issues.
 - b. Diagnostic, intervention and referral services for students experiencing problems attaining educational achievement appropriate to their learning potential.
 - c. Consultation and coordination services for students who are experiencing chronic problems that require multiple services by teams or specialists.
- C. The District's student services shall:
 - a. Be an integral part of the instructional program at all levels of the school system.
 - b. Provide information to students and parents/guardians about the educational opportunities of the school's instructional program and how to access those opportunities.
 - c. Provide career information and assessments to inform students and parents/guardians about work and career options available to individual students.
 - d. Provide basic health services required by law for students and provide information to parents/guardians about the health needs of the children.
