I. PURPOSE

The Wissahickon School District recognizes its responsibility for the safety and welfare of the children who attend the district schools. All school personnel, not just health personnel, share the responsibility for student welfare. The Wissahickon School District shall establish approved policies, guidelines and standing orders for handling accidents, injuries, and illnesses that occur during school hours. All emergency and first aid procedures will be followed for the welfare of any district student in accordance with approved procedures.
