REVISED

I. Purpose

The Board recognizes that the community is entitled to know the academic performance of the District and its schools.

II. Authority

To provide pertinent information regarding the academic performance of the District and its schools, the Board shall annually develop and publicly disseminate a District report card and report cards for the individual schools, in accordance with federal and state laws and regulations.

The Board, at its discretion, may include additional information not required by law on the District report card.

III. Delegation of Authority

The Superintendent or his/her designee shall be responsible to ensure:

1. Required information is annually updated and posted;
2. District report card and school report cards are provided to parents in an understandable and uniform format and, to the extent practicable, in a language the parents can understand;
