

H&SA and WEOF Communication Refusal Form

The Wissahickon Educational Opportunities Foundation (WEOF) and the Home and School Association (H&SA) for each school are valued partners with the Wissahickon School District. Through volunteerism and fundraising, these organizations provide extensive support for our academic programs, services, learning resources/equipment and school events for students and families.

The H&SAs organize activities including Back to School Picnics, Science Night, Cultural and Performing Arts Assemblies, Art Goes to School, Book Fair, Field Day and much more! The H&SAs fund mini-grants submitted by teachers and projects/initiatives that enhance the school environment, such as new playground equipment. The officers also serve as a liaison between families and school administration/staff.

Similarly, WEOF has provided grants to our schools since 1992 including funding for academic and extracurricular programs and services ranging from technology to the arts.

UNLESS a family chooses to opt-out of WEOF and H&SA communication, the school district will provide them a list of family email addresses at the beginning of each school year. This will allow these great educational partners to communicate important news and student/family events.

IMPORTANT: IF YOU CHOOSE TO OPT OUT OF H&SA OR WEOF EMAILS, YOU WILL **NOT** BE NOTIFIED OF SCHOOL EVENTS/ACTIVITIES ORGANIZED BY THEM. Please complete the form below **ONLY** if you choose to OPT OUT of receiving communication from the H&SA or WEOF.

Please select the listings that you wish to be EXCLUDED from*

H&SA Communication: I do NOT wish to receive news and other communication from the Home and School Association

WEOF Communication: I do NOT wish to receive news or other communication from WEOF
