## INFINITE CAMPUS

Beginning in the 2019-2020 school year, Wissahickon is migrating from the Sapphire Community Portal to Infinite Campus. To support this transition, we ask that all parents/guardians create an account to view their student's information.

**To view your student's teacher assignment and/or class schedule, parents/guardians must create an account. Teacher assignments/class schedules will be available in Infinite Campus on Monday, August 19, 2019.**

**On August 8th, all families should have received an email from the district with a unique activation link. The unique activation link is assigned to each parent/guardian in your household. Students will receive their unique Infinite Campus login information on the first day of school.**

1. Use the one-time activation link to create your account and create a username and password. *(Keep your username and password in a safe place; you will need this information to log into your account in the future. You will not need the activation link after you create your account; it is for one-time use only.)*
2. Review the contact information for your household\*
3. Add your emergency contact information\*

*\*Account changes (besides phone numbers and email addresses) must be reviewed by the main office of your student's school, and it may take up to two (2) weeks to update in your account.*

Infinite Campus is the district's web-based student information portal that contains family contact information and includes various student information including:

- attendance and discipline
- report cards
- health information
- teacher assignments and class schedule

Anytime after  
August 24<sup>th</sup> !

# Kindergarten Overview Video

- Go to [www.wsdweb.org](http://www.wsdweb.org)
- Then to Departments → Registration → Kindergarten Registration
