EMERGENCY CLOSING DISMISSAL PLAN

In the event of an emergency that requires school to close earlier in the day than expected, it is necessary that we have a plan on file for dismissing our student. All students will be able to follow their usual routine at dismissal, whether that involves bus riding, parent pick-up or walking. The YMCA After Care Program will be closed on such days. Please indicate below which option you plan to use in case of an emergency school closing. Please, understand that it is not an option for your child to wait at school after the dismissal time if there is an emergency closing of school. Children will not be permitted to call home for instructions.

The district will provide notification via School Messenger, the automated communication system to parents/guardians. Please visit the district web site for more information: www.wsdweb.org.

In the case of an emergency early closing, please check below which option should be followed by the district in dismissing your child:

- My child will ride his/her assigned bus home.
- My child will walk home.
- My child will be picked up by parent/guardian.
- I am aware that the YMCA After Care Program will be closed.
